The above petition has been approved.

The petition indicates that you, the self-petitioner, are in the United States and will apply for adjustment of status. The information submitted with the petition shows you are not eligible to file an adjustment of status application at this time.

Additional information about eligibility for adjustment of status may be obtained from the local INS office serving the area where you live.

Until you file an adjustment application, or apply for an immigrant visa, this approved petition will be stored in this office. If you become eligible to adjust status based on this petition, you should submit a copy of this notice with Form I-485, Application to Register Permanent Resident or Adjust Status, to the local office.

If you decide to apply for a visa outside the United States based on this petition, you should file Form I-824, Application for Action on an Approved Application or Petition, with this office to request that we send the petition to the Department of State National Visa Center (NVC).

The NVC processes all approved immigrant visa petitions that need consular action. The NVC also determines which consular post is the appropriate consulate to complete visa processing. It will then forward the approved petition to that consulate.
